Dorrance Dance is an award-winning dance company that aims to honor and expand America's original art form: tap dance. The company's inaugural performance garnered a Bessie Award for "blasting open our notions of tap." Founder Michelle Dorrance was awarded a 2018 Doris Duke Artist Award and has been called "one of the most imaginative tap choreographers working today" (*The New Yorker*).

The program includes the exhilarating *Myelination* (2017) set to live, original music; the rarely seen, Bessie Award-winning *Three to One* (2011); and the whimsical *Jungle Blues* (2012).
