## **Integrating the Arts in a Middle and High School Curriculum Questionnaire**

*Your first assignment is to answer the following questions in a thoughtful and thorough manner. Your answers allow us to pre-assess your standing and plan course content to meet your needs. Answers may be provided on a separate sheet of paper. Your responses will be shared with the institute leaders.*

1. What training or experience have you had integrating the arts across the general curriculum or teaching through the arts? (Previous training is not required, but your answer helps to guide course development.)
2. What have been your successes when integrating the arts with other subjects? What challenges have you encountered? Please be specific about what arts integration techniques, if any, you have tried so far.
3. What are you already doing in your classroom to create environments where students are allowed to be creative?
4. Why are you interested in attending “Integrating the Arts in the Middle and High School Curriculum”? What are your personal and professional goals for what you hope to get out of this class?
