GERRY GOFFIN (*Words and Music*). Born in Brooklyn in 1939, Gerry Goffin met Carole King at Queens College, and their musical collaboration began almost immediately. They married in 1959, and that same year wrote their first hit song "Will You Love Me Tomorrow?" (The Shirelles). The duo penned more than 50 Top-40 hits including "The Locomotion," "Natural Woman" and "Up on the Roof." In 1987, Goffin and King were inducted into the Songwriters Hall of Fame, and the Rock and Roll Hall of Fame in 1990. Goffin has left an indelible mark on American music.

CAROLE KING (*Words and Music*). Pop music would be very different without the contributions of Carole King, who at age 17 wrote her first #1 hit with Gerry Goffin. "Will You Love Me Tomorrow," for the Shirelles. The dozens of chart hits Goffin and King wrote during this period became legendary, but it was 1971's *Tapestry* that took King to the pinnacle, speaking personally to her contemporaries and providing a spiritual musical backdrop to the decade. More than 400 of her compositions have been recorded by over 1,000 artists, resulting in 100 hit singles and six Grammys.

BARRY MANN (*Words and Music*) has written the melodies of some of the most influential pop songs in musical history. In addition to "You've Lost That Lovin' Feeling," the most-played song of the last century, and the songs heard in *Beautiful*, he composed later standards like "Somewhere Out There" (winner of two Grammys),

"Here You Come Again," "Sometimes When We Touch," "Just Once" and "Don't Know Much." Together, he and Cynthia Weil have amassed an incredible 112 pop, country and R&B awards from Broadcast Music Inc. for significant radio air play. He has been inducted into both the Songwriters Hall of Fame and the Rock and Roll Hall of Fame.

CYNTHIA WEIL (*Words and Music*) is known as the lyricist of classic songs such as "You've Lost That Lovin' Feeling," the most-played song of the 20th century.
