## OUTLIERS

*SYBARITE5 will announce the complete program from the stage.  
Concert will be performed without intermission.  
(Estimated run time is 75 minutes)*

SYBARITE5 is always on the lookout for new tunes and composers that speak with a unique and relevant voice. *Outliers* is a celebration of works written for us by our favorite composers and friends we've met traveling the world performing the music we love. SYBARITE5 plays the music of Mike Block, Kenji Bunch, Shawn Conley, Michael Gilbertson, Jessica Meyer, Marc Mellits, Brandon Ridenour, Steven Snowden, Josef Suk, and Aleksandra Vrebalov paired with the group's favorite works of Armenian folk music, Piazzolla, and Radiohead.
